Aj Young : My Sudden Alpha Mate (Arranged Mating Book 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised My Sudden Alpha Mate (Arranged Mating Book 2):

1 of 1 people found the following review helpful. Get an editorBy Picky UserBig improvement in terms of plot and characters over the first book. There is at least more of a plot and the characters are a little more likeable in this book. However, the author is still desperately in need of an editor to help especially with grammar and punctuation, but also plot details.

For Cassandra, Las Vegas has always been her home, she may not have many friends but she had her dad. When her dad suddenly has a heart attack and passes away his past indiscretions suddenly come to light and Cassandra finds herself fearing her own safety. When two enforcers of her pack get drunk and let slip the plans her alpha Landon has for her, she turns to her aunt in New York for help and soon finds herself thrown into a surprise Mating with the new Alpha there for her own safety. Will this mating be good or bad for Cassandra?
